
Introduction to Volume 6

The Campus-Based Programs include the Federal Work-Study Program (FWS), the Federal Supplemental Educational Grant Program (FSEOG), and the Federal Perkins Loan Program (Perkins Loans). This volume provides the information that schools need to administer those programs.

Here, we provide a summary of the changes and clarifications presented in greater detail in the chapters that follow. **Alone the text herein does not provide schools with the guidance needed to satisfactorily administer the Title IV HEA programs.** For more complete guidance, you should refer to the text in the chapters cited, the Code of Federal Regulations (CFR), and the Higher Education Act (HEA) as amended.

Throughout this volume, new information is indicated with the following symbol:

Major Changes

This volume has been revised to reflect the winding down of the Perkins Loan Program. Schools that participated in the Perkins Program should review applicable sections thoroughly.

Chapter 1—The Campus-Based Programs

- ◆ We have changed the Fiscal Operations Report—The Application to Participate signature requirements.
- ◆ We have replaced the eCB with Campus-Based Section of the COD Web Site (cod.ed.gov), and schools should now address questions about the Campus-Based Programs to the COD School Relations Center.

Chapter 3—Participating in and Making Loans in the Perkins Loan Program

- ◆ We have replaced the excess liquid capital process with the Distribution of Assets process.
- ◆ We explain the distribution of assets from schools' Perkins Loan revolving funds.
- ◆ We explain that when manual paper assignments are accepted, schools will receive a document identified as a Perkins Loan Database Report (Acceptance Report) via email.
- ◆ We remind schools that once a Perkins Loan has been accepted for assignment by the Department, a school or servicer that has previously reported a borrower's loan to a credit reporting agency **MUST** report to that agency that the loan has been transferred.

Chapter 5—Perkins Loan Billing, Collection, and Default

- ◆ We explain that due to the expiration of the Perkins Loan Program schools are no longer able to claim the Administrative Cost Allowance (ACA), but that some billing and collection costs may still be charged to the fund. We have added a sidebar on the *Assignment Procedures due to Total and Permanent Disability Discharge*.
