To: Lenders Participating in the Health Education Assistance Loan
(HEAL) Program

Subject: Temporary Alien Status Card - HEAL Policy Memorandum 88-2

We have obtained information from the Immigration and Naturalization Service (INS) that new legislation requires them to issue cards (1-688A, 1-688, 1-689, etc.) to show that certain individuals have temporary alien status.

These cards are **NOT** acceptable proof of permanent residence to obtain a HEAL loan.

If you have any questions concerning the insurability of loans made to eligible aliens please contact Carl Schmieg at (301) 443-1540.

Sincerely yours,

Michael Heningburg
Director
Division of Student Assistance
