Subject: Assignment of Judgments Obtained by HEAL Lenders on Defaulted  
Loans - HEAL Policy Memorandum 88-4

Attached is a general form for Health Education Assistance Loan (HEAL) lenders to use when assigning judgments on defaulted loans to the United States. This is only a suggested form that should be modified to meet the requirements of any relevant State laws and to reflect the precise form of the judgment. For instance, if the judgment bifurcates attorney's fees and court costs from the principal and interest, then the assignment should indicate that only the judgment for the principal and interest is being assigned to the United States. It is the lender's responsibility to comply with State and local statutes and rules when making the assignment.

Additionally, when submitting the claim package, you must also furnish the name and address of the court which awarded the judgment, as well as the courts where the judgment has been recorded.

If you have any questions, please contact Ms. Marjorie H. Hamilton at (301) 443-0603.

Sincerely yours,

Michael Henningburg  
Director  
Division of Student Assistance
