To: Active FY 1993 Comprehensive Lenders
Participating in the Health Education Assistance
Loan (HEAL) Program

Subject: Continued use of the REAL Application Form Beyond its
Expiration Date; and REAL Student Application, HEAL
Promissory Note for PY 1993 and Lender Disclosure
Statement.

The HEAL student application form (HRSA-700) expires on February 28, 1993. However, it is requested that lenders continue to use the current form through September 30, 1993, or until we contact you with further information. We would like your input as we begin the process of revising the form. To that end, we will gladly receive any comments or suggestions you may wish to offer and would appreciate your cooperation if you are contacted by a HEAL staff person concerning this issue.

Included with your Fiscal Year (FY) 1993 lender contract was a promissory note addendum to be attached to all promissory notes signed on or after October 13, 1992. The HEAL program will be actively working on revising the current promissory note to reflect the changes included in the new legislation. Again, any comments or suggestions are encouraged and will be well received.

The HEAL Program would like to assure that all lenders are utilizing the correct forms. Therefore, please submit a copy of your HEAL Student Application, Promissory Note, and Disclosure Statement at your earliest convenience to:

Ms. Dara Pollock
HEAL Branch, DSA, BHP, HRSA
5600 Fishers Lane, Room 8-29

If you have any questions, please contact Ms. Terri Ehrenfeld of the HEAL Branch at (301) 443-1540. Thank you.

Sincerely,

Michael Heningburg
