

Table of Contents

Disclosed below is a list of each tab contained within this workbook. The description of each tab and direct link to each tab are included within the list. Select a [Click Here](#) hyperlink within the **Link to Tab** column of the list to navigate to a specific tab.

Table of Contents			
Tab Order	Tab Name	Link to Tab	Tab Description
1	Count of Students by Location	Click Here	The total number of students enrolled by the attended school location.
2	Programs by Location	Click Here	A list of educational programs last reported by ITT as having actively enrolled students. Programs are grouped by school location.
3	DE Students by ST	Click Here	Enrollment in online program by state of residence.

Grand Total				30,257

Note(s):

*ITT's student enrollment roster contains an unduplicated list of 30,256 students. One student is counted twice because he/she was reported as being enrolled at multiple locations.

**92% of the students reported by ITT were reported as enrolled in an educational program offered on campus. 6% of the

of Active Students by School Location

OPEID8	School Name	City School	State School	Active Students*
--------	-------------	-------------	--------------	------------------

students were enrolled in an online educational program. The remaining 2% of students did not have an educational program delivery method reported by ITT.
