### Summary

This newsletter describes recent enhancements for school users to the [National Student Loan Data System \(NSLDS®\) Professional Access](#) website. These changes include:

### Automatic Closed School Discharge Code

#### Automatic Closed School Discharge Code

A new Discharge Code (CS02) has been created for Automatic Closed School Discharges. CS02 indicates that the loan has been discharged due to a school closing on or after November 1, 2013 and has been closed for at least three years (and the borrower has met all other criteria for the discharge). The new discharge code appears on the [NSLDS Professional Access](#) website under the Aid tab, on the Loan Detail page for the applicable loan. For more information about automatic closed school discharges, refer to the [December 13, 2018 Electronic Announcement](#).
