Change History Table

The Change History table is updated each time the *Electronic Data Exchange (EDE) Technical Reference* is modified, providing you with a cumulative list of revisions made to the document.

When the *EDE Technical Reference* is modified after the initial release, the footer is updated to include the revison date. For example, if a change is made to page 3-24 in July 2020, the footer on that page will show "Rev. 7/20."

Date	Page	Changes/Notes
5/20		Spring release of the *EDE Technical Reference*, including sections 3 (Record Layouts) and 4 (Processing Codes).
