CARES ACT

COD Support of the *CARES Act*

CARES ACT

- Guidance was posted to the Information For Financial Aid Professionals (IFAP) site throughout the spring and summer related to interruptions of study related to Coronavirus
- Federal Student Aid (FSA) managed system changes, and related call center capabilities, despite the challenges introduced by the pandemic with a goal of minimizing disruption to customers, FSA and call center staff.

Session of Interest: #General Session 5

Federal Update: COVID-19 Higher Education Policy

CARES ACT

- There are several key operational dates for the *CARES Act*
 - The valid date range for the required Payment Period Start Date
 - 1/1/2018 - 12/31/2020
 - The date by which Coronavirus Indicators are to be submitted
 - 12/31/2020
 - The date by which all *Title IV* aid not returned under R2T4 requirements due to CARES Act relief are to be reported
 - 9/30/2021

CARES ACT

- The COD Web was updated in two phases to accommodate the *CARES Act*:
 - August 2020 – The Coronavirus Indicator (checkbox) was added to the COD Web disbursement screens to allow for the immediate identification of eligible students for discharge or LEU adjustment; edits were added/updated to aid in processing the Coronavirus Indicator
 - September 2020 – R2T4 was updated to assist schools in reporting under CARES Act requirements; Coronavirus reports were made available to schools, and the SULA Calculator was updated with the Coronavirus Indicator

CARES ACT

- Once schools identify the payment period/disbursements the student was unable to complete due to COVID-19, the *CARES Act* allows the Department to:
 - Cancel/discharge the amount of any Direct Loan (DL) disbursements identified
 - Cancel the amount of any TEACH Grant disbursements identified
 - Exclude the identified disbursements from the Subsidized Usage Limit Applies (SULA) calculation and Pell Grant Lifetime Eligibility Used (LEU)

CARES ACT – CORONAVIRUS INDICATOR

- Available for update on the COD Web Update Disbursement Information screen only
- Displayed on the COD Web on the following screens:
 - Award Disbursement Information
 - Disbursement Information
 - Disbursement History Information
 - Batch View Record Information
 - Batch View Disbursement Information
 - Batch View Response Information

CARES ACT – CORONAVIRUS INDICATOR

- The Coronavirus Indicator is not returned on the common record response. **No schema changes needed.**
- New Edit 99 is triggered when a school updates an actual disbursement with the Coronavirus Indicator

CARES ACT – CORONAVIRUS INDICATOR

- The following edits were *modified* with *CARES Act* changes
 - Reject Edit 50 (DL)
 - Reject Edit 205 (DL)
 - Reject Edit 212 (DL and Grants)
 - Reject Edit 994 (DL and Grants)
 - Reject Edit 996 (DL and Grants)
 - Reject Edit 71 (Bypass for Pell/ IASG)

CARES ACT – CORONAVIRUS INDICATOR

The *Update Disbursement Information* screen provides end-of-entry messaging to assist users in correctly submitting the *Coronavirus Indicator* for disbursements that will not require any further maintenance.

CARES ACT – PELL GRANT LEU ADJUSTMENT

Once the indicator is selected on a Pell Grant disbursement, the Disaster Relief Adjustment is applied to the LEU calculation within hours and the student eligibility is restored.

The screenshot displays the FSA COD system interface. The top navigation bar includes tabs for Person, School, Batch, Award, Services, Tools, User, and Support. The left sidebar lists various search and action options: Person Search, Person Info, Counseling Search, MPN/ATS/Manifest, PLUS App Search, Endorser Search, Credit Check, Applicant Search (with sub-options for Applicant Search, LEU History Search, and Subsidized Usage Search), Escalation, and Servicer. The main content area is titled 'LEU History' and shows a search for 'AIMEE'. Below this, the 'PELL' section is active, displaying a 'Pell Summary' table and a 'Pell LEU Adjustments' table. The 'Pell Summary' table shows data for two academic years: '20-'21 and '19-'20. The 'Pell LEU Adjustments' table, which is highlighted with a red border, lists two adjustments for 'American Academy' in 2021 and 2020, both of type 'Disaster Relief'.

CARES ACT – 150% DIRECT SUBSIDIZED LOAN LIMIT

- Disbursements flagged with the Coronavirus Indicator will be excluded from the Direct Loan subsidized usage calculation
 - $\text{Subsidized Usage Period (SUP)} = (\text{Enrollment Status} * (\text{Direct Loan Period Length} / \text{Academic Year Length}))$
- Schools can view updates to the SUP, Sum Actual SUP, Maximum Eligibility Period and Remaining Subsidized Eligibility Period on the Subsidized Usage Search and Award Disbursement pages

CARES ACT – 150% DIRECT SUBSIDIZED LOAN LIMIT

If the subsidized Direct Loan Disbursement that is flagged with the coronavirus indicator is:

Part of an award at the annual loan limit

- Changes to SULA can take 10-15 business days to be reflected in COD to account for the time it takes the servicer to discharge the loan and communicate *CARES Act* discharge information to COD.

A partial award (award amount is less than the annual loan limit)

- Changes to SULA will occur in real-time after submitting a flagged disbursement for processing on COD Web

CARES ACT - R2T4 ON COD

- Return of *Title IV* Funds (R2T4) was updated to assist schools in reporting under *CARES Act* requirements
 - Updates allow schools to calculate and report on the amount of *Title IV* loan and grant funds that would have been returned under normal circumstances
 - Schools will not be returning funds flagged with the R2T4 Coronavirus Indicator
 - R2T4 reporting process is separate from the COD Web process for CARES ACT

Visit: FSATraining.ed.gov

R2T4 Coronavirus training video available

CARES ACT – R2T4 ON COD

- R2T4 Coronavirus Indicator
 - Added to [Step 1 of R2T4 calculator](#) for 2017-18 Award Year and forward
 - When selected, users must select a valid calendar profile
 - Current users who previously saved an R2T4 worksheet can edit to select the R2T4 Coronavirus indicator
 - Will be viewable on the *Student Record Management* page
 - R2T4 worksheet (online only)
 - User data “Withdrawal Reason” will be updated to show Coronavirus
 - Added to R2T4 Training tool on COD

CARES ACT – R2T4 ON COD

After an institution selects the R2T4 coronavirus indicator in Step 1. The fields in Step 3 for Title IV grant and loan amounts that could have been disbursed will be **greyed out and noneditable**.

You have selected this R2T4 calculation for Coronavirus Relief. The Amount That Could Have Been Disbursed and Net Amount That Could Have Been Disbursed are set to zero and noneditable for this calculation.

CARES ACT – R2T4 ON COD

- R2T4 Reporting updates
 - Schools may filter on students flagged with the R2T4 Coronavirus Indicator
 - Report fields will be updated to include new columns for the R2T4 Coronavirus Indicator and Calendar Profile start and end dates
- Additional Enhancements:
 - Delete button added to *Student Record Management* Page
 - School users with update access will be able to delete a record
 - *Institutional Charge Profile*
 - Program of Study will no longer be required
 - Program credential level will no longer be required

CARES ACT – DIRECT LOAN REBUILD

- Direct Loan Rebuild Report
 - Was not updated to include the Coronavirus Indicator to minimize impact to school systems
- COD will exclude any Direct Subsidized Loans that have a disbursement marked with the Coronavirus Indicator
- Schools who need a Direct Loan Rebuild with excluded Direct Subsidized Loans should contact COD School Relations Center for assistance with specific records

CARES ACT – WEEKLY CORONAVIRUS REPORT

Is program type and award year specific.
