This letter discusses the major changes made to the Title IV loan and grant programs by the College Cost Reduction and Access Act (the CCRAA), Pub.L. 110-84.

New TEACH Grant Program Question Added To 2008-2009 FAFSA On The Web [12/24/07 (Updated 01/09/08)]

The College Cost Reduction and Access Act (the CCRAA), Pub.L. 110-84, created the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program (TEACH Program). This program is effective beginning with the 2008-2009 Award Year and provides up to \$4,000 a year in grant assistance to students who plan on becoming a teacher and meet certain specified requirements. If a student who receives a TEACH Grant does not complete the required teaching, the grant must be repaid as a Direct Unsubsidized Loan under the William D. Ford Federal Direct Loan Program.

Note: For policy information on all of the provisions of the CCRAA, including the TEACH Grant Program, refer to [Dear Colleague Letter GEN-08-01 posted on the Information for Financial Aid Professionals \(IFAP\) Web site](#).

Federal Student Aid posted [a December 21, 2007 Electronic Announcement on the IFAP Web site](#) that is the first in a series of communications intended to focus on the operational implementation of the CCRAA changes that will affect the Central Processing System (CPS), Common Origination and Disbursement (COD) System, and EDESuite. Federal Student Aid is very close to finalizing the operational changes that it must make to its Federal student aid processes and procedures to implement the provisions of the CCRAA, including the TEACH Grant Program for the 2008-2009 Award Year, and appreciates the community's patience as it completes this work. Forthcoming communications will fully explain the necessary changes and implementation schedule. All participants in the Federal student aid programs should refer to the [IFAP Web site](#) for applicable guidance and information.

In [the December 21st Electronic Announcement](#), Federal Student Aid informs the community of a new question relating to the TEACH Grant Program that has been included on the 2008-2009 Free Application for Federal Student Aid (FAFSA). For 2008-2009, this question will only be on the [FAFSA on the Web](#) application and not on the paper FAFSA. The question is intended to assist in identifying potentially eligible TEACH Grant recipients and will be available on both the English and Spanish versions of [FAFSA on the Web](#). Please refer to [the December 21st Electronic Announcement](#) for important information about the implementation of the new TEACH Grant Program question.

Updating School Contact Information in the COD System (01/11/08)

Federal Student Aid wants to remind all schools and third party servicers that contact information in the Common Origination and Disbursement (COD) System must be kept current. Contact

information is extremely important for the COD School Relations Center. Of utmost importance are e-mail addresses and mailing addresses.

- The e-mail address for the Financial Aid Administrator is used to deliver time-sensitive materials and critical COD processing information to the school.
- For a Direct Loan school, correct mailing address information ensures that Direct Loan closeout letters are delivered timely and to the correct place.

Please ensure that all contact information is updated as needed.

Submitting Updates to School Contact Information

Depending on the type of information to be updated, a school must submit updates in one of the following two ways:

1. In accordance with 34 CFR 600.21, most changes must be reported using the [Electronic Application for Approval to Participate in Federal Student Financial Aid Programs \(E-App\)](#). This includes changes to the following information:
 - School name
 - School address (including any branches and locations)
 - Names of the President (or equivalent title), Chief Financial Officer (or equivalent title), and Financial Aid Administrator (or equivalent title)
 - Telephone numbers and e-mail addresses for the above officials

Once the E-App is processed, the [COD Web site](#) is updated within 24 hours. It may take longer if there is additional information required by the School Participation Team (formerly known as the Case Management and Oversight Division).

2. Two specific changes can *only* be made via the [COD Web site](#). These are changes to the Direct Loan Officer contact information/ mailing address and the Pell Grant Officer contact information/ mailing address. To view and/or update the current contact information for these officers, complete the following steps:
 - Log in to the [COD Web site](#).
 - From the School tab, select the “Financial Aid Contact” link (located under the School Information menu). The School Financial Aid Contact Information screen displays the current information for the school.
 - Update or add new contact information by clicking on the “Update” or “Add New” button in the heading for the officer to be updated.
 - Complete the new information and submit the changes.

This information will be processed and updated immediately on the [COD Web site](#).

An [Electronic Announcement](#) with this same information is posted on the Information for Financial Aid Professionals (IFAP) Web site. If you have any questions about updating your school’s contact information, contact the COD School Relations Center.
