#### **Data Center Move—Impact on Campus-Based and Direct Loan Funds Availability (GAPS, EDCAPS, and COD) (01/17/06)**

The Department of Education (the Department) is in the process of relocating its data center. Some of the Department's core financial systems, including the Grant Administration and Payment System (GAPS), will be shut down and unavailable while the Department completes the relocation. This shutdown will impact how the Common Origination and Disbursement (COD) System will process financial data and when schools can obtain funds for their Federal Student Aid programs as follows:

- **Thursday, February 2, 2006 through Sunday, February 5, 2006**—The COD System will accept Direct Loan disbursements, but Current Funding Level (CFL) changes and funding will not be processed by EDCAPS/GAPS until Monday, February 6, 2006.  
*Actual disbursements must be received and accepted by the COD System no later than 8:00 P.M. (ET) on Wednesday, February 1, 2006, in order for them to be included in the drawdown prior to the shutdown.* Disbursements submitted after this time will be funded after EDCAPS/GAPS re-opens on February 6, 2006.
- **7:00 P.M. (ET) on Thursday, February 2, 2006 through 7:00 A.M. (ET) on Monday, February 6, 2006**—The GAPS e-Payments Web site will not be available. Schools will not be able to draw down Campus-Based or Direct Loan funds during this period.

An Electronic Announcement with this same information is posted on the IFAP Web site (<http://ifap.ed.gov/eannouncements/0117DataCenterMove.html>). Thank you for your patience and understanding as the Department completes this important activity. The Department expects financial processing to be caught up by Tuesday, February 7, 2006.
