Weekly Reminders

**Sending Addresses for U.S. Territories on the Common Record or the COD Web site
(04/02/10)**

When submitting student or borrower addresses to the Common Origination and Disbursement (COD) System, it is important that the correct tags are used, particularly when the student or borrower address is located in a U.S. Territory. These addresses are considered domestic addresses and should not be submitted as a foreign address with a Country Code. If these addresses are not submitted correctly, important correspondence from the COD System and the Direct Loan Servicing Center is delayed or not received.

When a student or borrower address is located in a U.S. Territory, the address should be treated as a domestic address and submitted to the COD System as follows:

Submitting Addresses for U.S. Territories via the Common Record

Live Internet Town Hall Meeting - Year-Round Pell Grant Q & A (03/29/10)

Federal Student Aid is pleased to announce a town hall meeting on implementation of the year-round Federal Pell Grant (Pell Grant) provision. This will be a live Internet broadcast during which we will present answers to common questions we have received and discuss issues raised by the community about implementation of the year-round Pell Grant provision.

The Higher Education Opportunity Act (the HEOA), Pub. L. 110-315, enacted on August 14, 2008, authorizes schools to disburse up to two Pell Grants in a single award year, beginning with the 2009-2010 Award Year, for Pell-eligible students. Final regulations related to this change to the Pell Grant Program were published in the Federal Register on [October 29, 2009](#).

Federal Student Aid staff will present this information in one 90-minute town hall meeting, with one version of the meeting designed for term-based schools and the other version designed for clock-hour/non-term schools. The town hall meeting is intended for all schools that participate in the Pell Grant Program.

For complete meeting schedules and registration information, refer to [ANN-10-10](#).

Federal Student Aid looks forward to your participation in this meeting.
