

TEACH Grant High-Level Implementation Schedule
Attachment to April 2008 Electronic Announcement

<i>Implementation Date</i>	<i>TEACH Grant Functionality</i>
January 1, 2008	<ul style="list-style-type: none"> Began presenting FAFSA on the Web filers with question relating to TEACH Grant Program.
February 11, 2008	<ul style="list-style-type: none"> Began adding comment code 281 to SAR and ISIR transactions for students who submit new FAFSA on the Web application and answer “Yes” to TEACH Grant question.
February 15, 2008	<ul style="list-style-type: none"> Reprocessed 2008-2009 ISIRs to add comment code 281 to records for students who answered “Yes” to TEACH Grant question during period January 1, 2008 to February 10, 2008.
March 11, 2008	<ul style="list-style-type: none"> Posted new version – 3.0a – of COD Common Record XML Schema that incorporates 1) new block for TEACH Grant awards and 2) other changes throughout schema to comply with PESC standards. <p><i>Note:</i> Effective June 28, 2008, all 2008-2009 Common Record documents that contain TEACH Grant origination and disbursement information must be sent by schools and will be acknowledged by COD System using schema version 3.0a.</p>
May 5, 2008	<ul style="list-style-type: none"> Will implement new SAR comment code 282, indicating applicant has not been given opportunity to answer TEACH Grant question. Includes applicants who file paper FAFSA, as well as those for whom application is generated by school in FAA Access to CPS Online or through EDE process. Going forward, resulting SAR/ISIR transactions will include comment code 282.
May 5, 2008	<ul style="list-style-type: none"> Will offer schools, software providers, and third party servicers two-phase opportunity to test TEACH Grant functionality with COD System.
June 28, 2008	<ul style="list-style-type: none"> Will implement Agreement to Serve (ATS) Web site through which students will electronically complete and submit ATS. TEACH Grant fact sheet will be available on ATS Web site. Will implement COD System functionality to support TEACH Grant origination and disbursement processing functions. Will include processing origination and disbursement records, generating TEACH Grant Disclosure Statements for students, and sending award information to DLSS. Will also implement functionality that results in DLSS generating TEACH Grant Welcome Letters for students and sending award information to NSLDS. <p><i>Note for EDEExpress Users:</i> Shortly after June 28, 2008, will post updated version of EDEExpress software that will allow school to enter, store, and export/import TEACH Grant origination, disbursement, and response information.</p>
July 1, 2008	<ul style="list-style-type: none"> Will have funds available for school draw down via G5 (formerly GAPS) for TEACH Grant accepted actual disbursement records. <p><i>Note:</i> COD System will accept actual disbursement records 1) after ATS for applicable year has been accepted by COD System and 2) no earlier than 7 days before disbursement date.</p>
Early July 2008	<ul style="list-style-type: none"> Will update R2T4 on the Web to include TEACH Grants.
September 27, 2008	<ul style="list-style-type: none"> Will implement COD System functionality that supports TEACH Grant reporting and reconciliation functions for schools. <p><i>Note for EDEExpress Users:</i> Shortly after September 27, 2008, will post updated version of EDEExpress software that will allow school to import available TEACH Grant reports.</p>
January 1, 2009	<ul style="list-style-type: none"> Will present TEACH Grant question to applicants who file paper FAFSA, as well as those for whom application is generated by school in FAA Access to CPS Online or through EDE process. Will also include TEACH Grant information on 2009-2010 SARs and ISIRs and add to NSLDS Transfer Student Monitoring.
March 2009	<ul style="list-style-type: none"> Will implement COD System functionality that supports additional TEACH Grant reporting functions for schools.
