HERA Guidance Available On IFAP Web Site (05/08/06)

Federal Student Aid has been evaluating and finalizing the operational changes that must be made to its student aid processes and procedures to implement the provisions of the Higher Education Reconciliation Act of 2005 (the HERA), Pub. L. 109-171. Federal Student Aid appreciates the financial aid community's patience and understanding over the past few months as it completed this work.

Communications related to the HERA will be posted on the Information for Financial Aid Professionals (IFAP) Web site (www.ifap.ed.gov). These communications include policy and operational guidance that impacts all student aid programs, systems, and processes. To assist users in easily locating HERA-related communications, they are available under the "Higher Education Reconciliation Act of 2005 (HERA) Information" link on the home page of the IFAP Web site. (The link is at the top of the "On-Line References" section.)

Federal Student Aid will post guidance related to the Central Processing System (CPS), Common Origination and Disbursement (COD) System, and EExpress Suite, as Electronic Announcements. The summary for these Electronic Announcements will begin with "HERA Operational Implementation Guidance (CPS, COD System, EExpress Suite)" so that they can be distinguished from other types of guidance. As explained above, the Electronic Announcements will be available under the "Higher Education Reconciliation Act of 2005 (HERA) Information" link on the home page of the IFAP Web site.

Currently, there is policy and operational guidance related to the HERA posted on the IFAP Web site. Additional guidance will be posted as it becomes available. Please plan to check the IFAP Web site on a regular basis.
