

**Labor Day Federal Holiday Processing and Customer Service Hours  
Attachment to August 2017 Electronic Announcement**

Our federal offices as well as our Title IV processors and contact centers will be closed on Monday, September 4, 2017 to observe the Labor Day federal holiday. See below for the various centers' operation status on the holiday.

**CPS**

The Central Processing System (CPS) will accept data on Monday, September 4, 2017 but will not process data or send Institutional Student Information Records (ISIRs) until Tuesday, September 5, 2017.

**COD System**

The Common Origination and Disbursement (COD) System will accept and process data from schools and send back responses/acknowledgments on Monday, September 4, 2017, but schools will not be able to receive any federal funds on that day. Requests for changes in funding levels and for funds will not be processed until Tuesday, September 5, 2017.

**Websites**

All Federal Student Aid websites will remain operational on the holiday. The IRS Data Retrieval Tool (DRT) will be unavailable from 7:00 P.M. (ET) on Saturday, September 2, 2017 through 7:00 A.M. (ET) on Tuesday, September 5, 2017. During this period, actions can be completed on StudentLoans.gov. However, borrowers completing the online Income-Driven Repayment (IDR) application during the IRS DRT outage will not be able to transfer their federal tax information automatically and will need to manually provide the tax information to their federal loan servicer. Applicants may wish to complete the application after the outage is over.
