- Schools attempting to transmit batches via the SAIG between 3:00 A.M. and 11:00 A.M. (ET) will receive an error message informing them that the SAIG is unavailable and that the data must be transmitted at a later time.

Federal Student Aid apologizes for any inconvenience these outages may cause. If you have any questions about the COD System, contact the COD School Relations Center. If you have any questions about the SAIG, contact the CPS/SAIG Technical Support at 800/330-5947 or e-mail CPSSAIG@ed.gov.

New Financial Operating Environment— Impact on Funds Availability For Campus-Based And Direct Loan (EDCAPS/GAPS and COD) (08/24/06)

The Department of Education (the Department) is transitioning to a new financial operating environment in conjunction with the year-end close out of Fiscal Year 2006. As a result, some of the Department's core financial systems, including the Grant Administration and Payment System (GAPS), will be shut down and unavailable while the Department completes the transition. This shutdown will impact how the COD System will process financial data and when schools can obtain funds for their Federal Student Aid programs as follows:

- ***Monday, September 18, 2006 through Friday, September 29, 2006***
Financial processing between the COD System and EDCAPS/GAPS will be reduced to only once every evening (instead of the normal twice-a-day, morning/evening processing). As a result, early morning processing will be completed in the evening. Current Funding Level (CFL) changes and funding could be delayed by a day.
- ***Saturday, September 30, 2006 through Monday, October 9, 2006***
The COD System will accept Direct Loan disbursements, but CFL changes and funding requests will not be processed by EDCAPS/GAPS until Tuesday, October 10, 2006.

Actual disbursements must be received and accepted by the COD System no later than 10:00 A.M. (ET) on Thursday, September 28, 2006, in order for them to be included in a drawdown prior to the shutdown. Disbursements submitted after this time will be funded after EDCAPS/GAPS resumes processing on October 10, 2006.

Note:

A school on Heightened Cash Monitoring 2 (HCM2) or Reimbursement should notify its Payment Analyst as soon as possible of the amount of disbursements that it expects to make during the shutdown period. If, in the view of the Payment Analyst, the requested amount is reasonable, we will provide those funds to the school prior to the shutdown period and in advance of receiving the formal reimbursement requests. ***To ensure that funds are available to the school when needed, the school must notify its Payment Analyst no later than Friday, September 8, 2006.***

Common Origination and Disbursement COD Processing Update

In addition, prior to the shutdown period, we will advance to a school Federal Student Aid program funds related to pending reimbursement requests.

- **8:00 P.M. (ET) on Saturday, September 30, 2006 through 8:00 A.M. (ET) on Tuesday, October 10, 2006**

The GAPS e-Payments system (the GAPS Web site) will not be available. Schools will not be able to draw down Campus-Based or Direct Loan funds during this period.

Note: In some cases, a school will be unable to operationally comply with returning cash to the Department within the timeframes specified in the Cash Management regulations at 34 CFR 668.166. We will consider the school to be in compliance with the excess cash requirements provided that the school disburses such funds to eligible students (or parents) by the end of the shutdown period and/or promptly returns such funds to the Department when EDCAPS/GAPS resumes processing on October 10, 2006.

An Electronic Announcement with this same information is posted on the [IFAP Web site](#). Thank you for your patience and understanding as the Department completes this important activity. The Department expects financial processing to be caught up by Tuesday, October 12, 2006.
