##### **COD System Maintenance Planned For Sunday, November 20, 2005 (11/16/05)**

The COD System will undergo routine maintenance on Sunday, November 20, 2005 from 2:00 A.M. until 8:00 A.M. (ET). During this period, users will not be able to submit or retrieve data via the COD Web site. Additionally, batches submitted by schools will be held and not processed until after the COD System comes back up. COD apologizes for any inconvenience this outage may cause. If you have any questions, contact the COD School Relations Center.

##### **COD Holiday Schedule For November 23-24, 2005 (11/18/05)**

The Common Origination and Disbursement (COD) School Relations Center will close at 3:00 P.M. (ET) on Wednesday, November 23, 2005 and reopen at 8:00 A.M. (ET) on Friday, November 25, 2005. During this period, the COD System will accept and process data from schools and send back responses/acknowledgements. As previously explained, Federal Student Aid's Financial Management System (FMS) will be shut down and unavailable during Thanksgiving week and weekend. The shutdown will impact how the COD System processes financial data and when schools can obtain new Pell Grant and Direct Loan funding. (Refer to the related COD Processing Update item or the [Electronic Announcement](#) posted on the IFAP Web site.)

Further information regarding Thanksgiving Day processing, funding impact, and customer service hours for COD and other FSA/ED call centers will be available in an Electronic Announcement on the IFAP Web site at [www.ifap.ed.gov](http://www.ifap.ed.gov).

##### **Temporary Unavailability of Pell Grant Funding Increases November 22-27, 2005 (11/10/05)**

Federal Student Aid's Financial Management System (FMS) will be shut down and unavailable Tuesday, November 22, 2005 through Sunday, November 27, 2005 (Thanksgiving week and weekend) while a system upgrade is completed. During this period, the COD System will accept and process data from schools and send back responses/acknowledgements. However, the shutdown will impact how the COD System processes financial data and when schools can obtain new Pell Grant funding.

Specifically, the COD System will accept Pell Grant disbursements during the November 22<sup>nd</sup> through 27<sup>th</sup> period, but Current Funding Level (CFL) changes and funding will not be

processed until Monday, November 28, 2005. *Actual disbursements must be received and accepted by the COD System no later than 8:00 P.M. (ET) on Monday, November 21, 2005, in order for them to be included in the drawdown prior to the shutdown.*

Disbursements submitted after this time will be funded beginning on November 28th.

**Note:** The Grant Administration and Payment System (GAPS) will not be affected by the shutdown. This means that schools can draw down cash from any existing available balance during the November 22<sup>nd</sup> through 27<sup>th</sup> period. Refer to the Hours of Operation link on the GAPS e-Payments Web site (<http://e-grants.ed.gov/gapsweb/>) for schedule information.

An Electronic Announcement with this same information is posted on the IFAP Web site (<http://www.ifap.ed.gov/eannouncements/1110CODFinanDataProcThanksgiving.html>).

Thank you for your patience and understanding as Federal Student Aid completes this important activity. Federal Student Aid expects financial processing to be caught up by Tuesday, November 29, 2005.

This section contains important notices regarding reports and/or data requests. While we encourage you to review this section, note that some schools may not be impacted by the information presented below.

- Pell Year-to-Date (YTD) Records— The YTD Record can be used to assist a school with its year-end and ongoing reconciliation processes. Schools also use the YTD Record for the purpose of rebuilding a complete student record or Pell Grant database.
