**UPDATED!**

### **G5 Phase 1 Implementation and Training Information [9/25/07 (Updated 12/07/07)]**

In June 2007, the Department of Education (the Department) announced the development of **G5—a state-of-the-industry electronic system for grants management and payments**. G5 will replace the current Grant Administration and Payment System (GAPS), including the e-Payments functionality used by schools to draw down Campus-Based, Academic Competitiveness Grant (ACG), National Science and Mathematics Access to Retain Talent Grant (National SMART Grant), Federal Pell Grant (Pell Grant), and William D. Ford Federal Direct Loan (Direct Loan) funds. G5 will provide a number of performance, processing, and customer enhancements.

### **G5 Phase I Implementation Date and Training Opportunities**

As previously explained, the Department will implement G5 in three phases over several years. Phase I of G5 will address e-Payments and provide improved drawdown functionality. **Full implementation of Phase I is planned for December 17, 2007.** This date for Phase I implementation supersedes all preliminary implementation information provided by the Department at earlier points in time.

The Department has posted the December 17, 2007 implementation date as well as an updated “G5 Phase 1 Implementation Overview” presentation on the GAPS e-Payments Web site. In addition, **G5 online training is available at the following URL:**

<http://www.g5.gov/>

**Note:** A recording of the December 6, 2007 G5 Phase 1 Implementation Webinar presented by the Department’s office of the Chief Financial Officer will be available on the on the GAPS [e-Payments Web site](#) and the [G5 Web site](#) shortly.

### **G5 Phase I Implementation Impact on Funds Availability**

The service outage associated with the December 17, 2007 G5 Phase 1 implementation will impact how the COD System will process financial data and when schools can obtain funds for the Federal student aid programs as follows:

- **Wednesday, December 12, 2007 through Sunday, December 16, 2007** – The COD System will accept ACG, National SMART Grant, Pell Grant, and Direct Loan disbursements, but Current Funding Level (CFL) changes and funding will not be processed by G5 until Monday, December 17, 2007.

All actual disbursements with a disbursement date from December 12, 2007 through December 17, 2007 must be received and accepted by the COD System **no later than 10:00 P.M. (ET) on Tuesday, December 11, 2007**, in order for them to be included in the drawdown prior to the shutdown. Disbursements submitted after this time and disbursements with a disbursement date after December 17, 2007 will be funded after G5 is implemented on December 17, 2007.

- **7:00 P.M. (ET) on Wednesday, December 12, 2007 through 6:00 A.M. (ET) on Monday, December 17, 2007** – Neither the GAPS [e-Payments Web site](#) nor the new [G5 Web site](#) will be available. Schools will not be able to draw down Campus-Based, ACG, National SMART Grant, Pell Grant, or Direct Loan funds during this period.

**Note:** The new [G5 Web site](#) will be available after 6:00 A.M. (ET) on Monday, December 17, 2007. The Department expects financial processing to be caught up by Thursday, December 20, 2007.

Please share this information, as appropriate, with others at your school/organization.

The most current G5 implementation information is posted on the GAPS [e-Payments Web site](#) and in [a November 7, 2007 Electronic Announcement on the IFAP Web site](#).

### **Updating School Contact Information in the COD System (12/07/07)**

Federal Student Aid wants to remind all schools and third party servicers that contact information in the Common Origination and Disbursement (COD) System must be kept current. Contact information is extremely important for the COD School Relations Center. Of utmost importance are e-mail addresses and mailing addresses.

- The e-mail address for the Financial Aid Administrator is used to deliver time-sensitive materials and critical COD processing information to the school.
- For a Direct Loan school, correct mailing address information ensures that Direct Loan closeout letters are delivered timely and to the correct place.

Please ensure that all contact information is updated as needed.

### **Submitting Updates to School Contact Information**

Depending on the type of information to be updated, a school must submit updates in one of the following two ways:

1. In accordance with 34 CFR 600.21, most changes must be reported using the [Electronic Application for Approval to Participate in Federal Student Financial Aid Programs \(E-App\)](#). This includes changes to the following information:
  - School name
  - School address (including any branches and locations)
  - Names of the President (or equivalent title), Chief Financial Officer (or equivalent title), and Financial Aid Administrator (or equivalent title)
  - Telephone numbers and e-mail addresses for the above officials

Once the E-App is processed, the [COD Web site](#) is updated within 24 hours. It may take longer if there is additional information required by the School Participation Team (formerly known as the Case Management and Oversight Division).

2. Two specific changes can *only* be made via the [COD Web site](#). These are changes to the Direct Loan Officer contact information/ mailing address and the Pell Grant Officer contact information/ mailing address. To view and/or update the current contact information for these officers, complete the following steps:
  - Log in to the [COD Web site](#).
  - From the School tab, select the “Financial Aid Contact” link (located under the School Information menu). The School Financial Aid Contact Information screen displays the current information for the school.
  - Update or add new contact information by clicking on the “Update” or “Add New” button in the heading for the officer to be updated.
  - Complete the new information and submit the changes.

This information will be processed and updated immediately on the [COD Web site](#).

An [Electronic Announcement](#) with this same information is posted on the Information for Financial Aid Professionals (IFAP) Web site. If you have any questions about updating your school’s contact information, contact the COD School Relations Center.
