Office of Postsecondary Education; Notice of Intent To Establish Negotiated Rulemaking Committees Under Title IV of the Higher Education Act of 1965, as Amended

AGENCY: Department of Education.

ACTION: Notice of negotiated rulemaking.

SUMMARY: The Secretary of Education (Secretary) announces the establishment of a negotiated rulemaking committee to

develop proposed regulations related to the Federal student loan programs authorized by Title IV, Parts B, D, and E of the Higher Education Act of 1965, as amended (HEA). The Secretary is also announcing that she will establish a negotiating committee that will begin meeting in January to address issues related to the Academic Competitiveness Grant (ACG) and the National Science and Mathematics Access to Retain Talent (National SMART) Grant programs. The Secretary is still considering whether to establish additional committees to address accreditation issues and/or other Title IV programmatic, institutional eligibility and general provisions issues.

The Secretary also is announcing that she is reopening our request for nominations of individual negotiators to serve on the ACG and National SMART Grant programs committee and any additional negotiating committees that may be formed to address accreditation issues and other Title IV programmatic, institutional eligibility, and general provisions issues.

DATES: The dates for the negotiation sessions are listed in the **SUPPLEMENTARY INFORMATION** section of this notice. We must receive your nominations for negotiators to serve on the ACG and National SMART Grant programs committee and on any additional committees that may be established to address accreditation issues and other Title IV programmatic, institutional eligibility, and general provisions issues on or before December 22, 2006.

SUPPLEMENTARY INFORMATION: On August 18, 2006, we published a notice in the **Federal Register** (71 FR 47756) announcing our intent to establish up to four negotiated rulemaking committees to prepare regulations under Title IV of the HEA. The notice also announced a series of four regional hearings where interested parties could suggest issues for consideration for action by the negotiating committees. We also invited parties to submit issues for

consideration in writing. In the notice, we requested nominations for individual negotiators who represent key stakeholder constituencies that are involved in the student financial assistance programs authorized under Title IV of the HEA to serve on these committees.

After consideration of the information received at the regional hearings and in writing, we have decided to establish a negotiating committee ("Loans Committee") that will begin meeting in December 2006 to address issues related to the Federal student loan programs authorized by Title IV, Parts B, D, and E of the HEA. We list the topics the Loans Committee is likely to address, the members of the committee, and the meeting schedule for the committee elsewhere in this notice under *Loans Committee Topics, Members, and Meeting Schedule*.

We will also establish a negotiating committee that will begin meeting in January 2007 to address issues related to the ACG and the National SMART Grant programs. We are still considering whether to establish additional committees to address accreditation issues and other Title IV programmatic, institutional eligibility and general provisions issues.

We are reopening our request for nominations for individual negotiators who represent key stakeholder constituencies to serve on the ACG and National SMART Grant programs committee and any additional negotiating committees that may be formed to address accreditation issues and Title IV programmatic, institutional eligibility, and general provisions issues (see *Invitation for Additional Nominations for the ACG and National SMART Grant Program Committees and Possible Additional Committees* elsewhere in this notice). We will announce the members of the ACG and National SMART Grant programs committee, the issues this committee will likely address, and the meeting schedule for this committee in the **Federal Register** at a later date.
