

2006-2007  
**FAFSA ON THE WEB WORKSHEET**  
 WWW.FAFSA.ED.GOV

## DO NOT MAIL THIS WORKSHEET.

You must complete and submit a *Free Application for Federal Student Aid* (FAFSA) to apply for federal student financial aid and to apply for most state and college aid. Applying online with *FAFSA on the Web* at [www.fafsa.ed.gov](http://www.fafsa.ed.gov) is faster and easier than using a paper FAFSA.

For state or college aid, the deadline may be as early as January 2006. See the table to the right for state deadlines. Check with your high school counselor or your college's financial aid administrator about other deadlines.

- Complete this Worksheet only if you plan to use *FAFSA on the Web* to apply for student financial aid.
- Sections in purple require parent information.
- **Submit your FAFSA early, but not before January 1, 2006.**

**Apply Faster—Sign your FAFSA with a U.S. Department of Education PIN.** If you do not have a PIN, you can apply for one at [www.pin.ed.gov](http://www.pin.ed.gov) before beginning *FAFSA on the Web*. You will receive your PIN within a few days, and then you can electronically sign your FAFSA when you submit your information. *If you are providing parent information, one parent must sign your FAFSA. To sign electronically, your parent can also apply for a PIN at [www.pin.ed.gov](http://www.pin.ed.gov).*

**You will need the following information to complete this Worksheet:**

- Your Social Security Number and your parents' Social Security Numbers if you are providing parent information;
- Your driver's license number if you have one;
- Your Alien Registration Number if you are not a U.S. citizen;
- 2005 federal tax information or tax returns (including IRS W-2 information) for yourself and spouse if you are married, and for your parents if you are providing parent information. If you have not yet filed a 2005 income tax return, you can still submit your FAFSA but you must provide income and tax information.
- Records of untaxed income, such as Social Security benefits, welfare benefits (e.g., TANF), and veterans benefits, for yourself, and your parents if you are providing parent information; and
- Information on savings, investments, and business and farm assets for yourself, and your parents if you are providing parent information.

**WARNING!**

Be wary of organizations that charge a fee to submit your application or to find you money for school. In general, the help you pay for can be obtained for free from your school or from the U.S. Department of Education.

**NOTE:**

If you or your family has unusual circumstances (such as loss of employment), complete FAFSA on the Web to the extent you can, then submit the application and consult the financial aid office at the college you plan to attend.
