DEPARTMENT OF EDUCATION

34 CFR Part 682

RIN 1840-AC55

Federal Family Education Loan Program

AGENCY: Department of Education.

ACTION: Final regulations.

SUMMARY: This document contains corrections and other technical changes to the final regulations for the Federal Family Education Loan Program in 34 CFR Part 682. The regulations govern the Federal Stafford Loan Program, the Federal Supplemental Loans for Students (Federal SLS) Program, the Federal PLUS Program and the Federal Consolidation Loan Program, collectively referred to as the Federal Family Education Loan Programs.

EFFECTIVE DATE: April 16, 1999.

FOR FURTHER INFORMATION CONTACT: Pamela Moran or Patricia Beavan, Policy Section, Loans Branch, Division of Policy Development, Policy, Training, and Analysis Service, Department of Education, 400 Maryland Avenue, SW (Room 3053, ROB-3) Washington, DC 20202. Telephone 202-708-8242.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

Individuals with disabilities may obtain this document in an alternate format (e.g., Braille, large print, audiotope, or computer diskette) on request to the contact person listed in the preceding paragraph.

SUPPLEMENTARY INFORMATION: The regulations that are the subject of these corrections incorporate self-implementing statutory changes made to the Higher Education Act, as amended, by the Higher Education Amendments of 1992 (the 1992 Amendments), the Omnibus Budget Reconciliation Act of 1993 (OBRA), and the Higher Education Technical Amendments of 1993 (1993 Amendments). These regulations do not implement the Higher Education Amendments of 1998. Those amendments will be addressed by other regulations as needed. However, some technical changes have been modified to ensure that they do not conflict with those amendments.

Waiver of Proposed Rulemaking

It is the practice of the Secretary to offer interested parties the opportunity to comment on proposed regulations. However, the provisions in these final

regulations reflect needed technical corrections and changes to the Federal Family Education Loan Program (FFEL) regulations. These corrections and changes do not affect the substantive rights or obligations of individuals or institutions. Therefore, the Secretary has concluded that these regulations are technical in nature and do not necessitate public comment. Therefore, the Secretary finds that such a solicitation would be unnecessary and contrary to the public interest under 5 U.S.C. 553(b)(B).

For the same reasons, the Secretary has determined, under section 492(b)(2) of the Higher Education Act of 1965, as amended, that these regulations should not be subject to negotiated rulemaking.

Regulatory Flexibility Act Certification

The Secretary certifies that these final regulations will not have significant economic impact on a substantial number of small entities. Small entities affected by these regulations are small institutions of higher education. These regulations contain technical corrections to current regulations. The changes will not have a significant economic impact on the institutions affected.

Paperwork Reduction Act of 1995

These regulations have been examined under the Paperwork Reduction Act of 1995 and have been found to contain no information collection requirements.

Intergovernmental Review

This program is subject to the requirements of Executive Order 12372 and the regulations in 34 CFR part 79. The objective of the Executive order is to foster an intergovernmental partnership and a strengthened federalism by relying on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

In accordance with the order, this document is intended to provide early notification of the Department's specific plans and actions for this program.

Assessment of Educational Impact

Based on its own review, the Department has determined that the regulations in this document do not require transmission of information that is being gathered by or is available from any other agency or authority of the United States.
