SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Director of OMB provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The Office of Management and Budget (OMB) may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. Title: Child Care Provider Loan Forgiveness Application and Forgiveness Forbearance Forms.

Abstract: The Child Care Provider Loan Forgiveness Application is used to determine whether borrowers meet the eligibility requirements for the Child Care Provider Loan Forgiveness Program. This is a demonstration program administered on a first-come, first-serve basis (subject to the availability of funds). It is intended to bring more highly trained individuals into the early child care field for longer periods. Under the program, individuals who work full-time in certain child care facilities that serve low-income families and meet other qualifications may be eligible to have up to 100% of their Direct Loan and/or Federal Family Education Loan (FFEL) program loan forgiven. The Child Care Provider Loan Forgiveness Forbearance Form is required to comply with program guidance that provides forbearance for child care providers and to determine the child care providers eligibility for forbearance.

Additional Information: Appropriations were only funded this January for these benefits which are meant to enhance the child care field. Funds must be obligated by the end of September, hence the need for this emergency clearance time schedule.

Frequency: Annually.

Affected Public: Individuals or household; Business or other for-profit; Not-for-profit institutions; Federal Government; State, Local, or Tribal Gov't, SEAs or LEAs.
