DEPARTMENT OF EDUCATION

34 CFR Parts 668, 682, 685 and 692

Student Assistance General Provisions, Federal Family Education Loan Program, William D. Ford Federal Direct Loan Program, and State Student Incentive Grant Program

AGENCY: Department of Education.

ACTION: Final regulations.

SUMMARY: The Secretary makes technical amendments to the Student Assistance General Provisions, Federal Family Education Loan (FFEL) Program, William D. Ford Federal Direct Loan Program, and the State Student Incentive Grant (SSIG) Program regulations. These amendments are necessary to change the name of the SSIG Program to the Leveraging Educational Assistance Partnership (LEAP) Program, correct cross-references, and delete obsolete references. These technical amendments incorporate changes made to the Higher Education Act of 1965, as amended (HEA), by the Higher Education Amendments of 1998 (1998 Amendments).

EFFECTIVE DATE: These regulations take effect June 22, 2000.

FOR FURTHER INFORMATION CONTACT: Ms. Jackie Butler, U.S. Department of Education, 400 Maryland Avenue, SW., Regional Office Building 3, Room 3045, Washington, DC 20202-5447. Telephone: (202) 708-8242.

If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Individuals with disabilities may obtain this document in an alternate format (*e.g.*, Braille, large print, audiotape, or computer diskette) on request to the contact person listed.

SUPPLEMENTARY INFORMATION: Because the Higher Education Amendments renamed the State Student Incentive Grant (SSIG) Program the Leveraging Educational Assistance Partnership (LEAP) Program, we are making conforming name changes to the Student Assistance General Provisions

regulations, 34 CFR part 668, FFEL Program regulations, 34 CFR part 682, William D. Ford Federal Direct Loan Program regulations, 34 CFR part 685, and SSIG Program regulations, 34 CFR part 692.

We are also correcting cross-references and removing obsolete references. Therefore:

- We have replaced references to “institution of higher education” throughout 34 CFR part 692 with “institution” to reflect the type of institutions described in § 668.1(b) of the Student Assistance General Provisions regulations, and corrected other cross-references to various terms now defined in 34 CFR parts 600 and 668.

- We have removed references to section 1203 of the HEA throughout 34 CFR part 692 to reflect that this section was eliminated by the 1998 Amendments.

- We have removed OMB control numbers after §§ 692.20, 692.21 and 692.40.

Waiver of Proposed Rulemaking

It is the practice of the Secretary to offer interested parties the opportunity to comment on proposed regulations. However, these regulations merely reflect statutory changes, correct cross-references, and remove obsolete regulatory provisions. The changes do not establish or affect substantive policy. Therefore, the Secretary has concluded that these regulations are technical in nature and do not necessitate public comment. Therefore, the Secretary finds that such a solicitation would be unnecessary and contrary to the public interest under 5 U.S.C. 553(b)(B).

For the same reasons, the Secretary has determined, under section 492(b)(2) of the Higher Education Act of 1965, as amended, that these regulations should not be subject to negotiated rulemaking.

Regulatory Flexibility Act Certification

The Secretary certifies that these regulations would not have a significant economic impact on a substantial number of small entities. Small entities affected by these regulations are small institutions of higher education. Although States and State agencies are impacted by these regulations, they are not defined as “small entities” in the

Regulatory Flexibility Act. These regulations contain technical amendments designed to clarify and correct current regulations. The changes will not have a significant economic impact on the institutions, State or State agencies affected.

Paperwork Reduction Act of 1995

These regulations have been examined under the Paperwork Reduction Act of 1995 and have been found to contain no information collection requirements.

Intergovernmental Review

The LEAP Program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. The objective of the Executive order is to foster an intergovernmental partnership and a strengthened federalism by relying on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

In accordance with the order, we intend this document to provide early notification of the Department's specific plans and actions for this program.

Assessment of Educational Impact

Based on our own review, we have determined that these final regulations do not require transmission of information that any other agency or authority of the United States gathers or makes available.

BILLING CODE 4000-01-P

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

36 CFR Part 1253

RIN 3095-AA98

Location of NARA Facilities and Hours of Use

AGENCY: National Archives and Records Administration (NARA).

ACTION: Final rule.

SUMMARY: The National Archives and Records Administration is revising its regulation that lists NARA facilities and hours when the public and other Federal agency staff may use the records in those facilities. This rule updates information on NARA facilities throughout the United States, including the addition of two new facilities and the deletion of a closed NARA facility. Additional revisions include corrections to addresses, providing e-mail addresses

for the Presidential libraries, the addition and correction of phone and fax numbers, and, in some cases, modifications to the hours that these facilities are open for research. This rule affects members of the public who visit or do research at NARA facilities.

DATES: This rule is effective June 22, 2000.

FOR FURTHER INFORMATION CONTACT:

Shawn Morton at telephone number 301-713-7360, ext. 253, or fax number 301-713-7270.

SUPPLEMENTARY INFORMATION: NARA published a notice of proposed rulemaking on May 8, 2000, at 65 FR 26542. The comment period ended June 7, 2000. NARA received no public comments.

This rule is effective upon publication for “good cause” as permitted by the Administrative Procedure Act (5 U.S.C. 553(d)(3)). NARA believes that delaying the effective date for 30 days is unnecessary as this rule represents a minor technical amendment. Moreover, as the public benefits immediately being provided with accurate contact information for all current NARA facilities, any delay in the effective date would be contrary to the public interest.

This rule is not a significant regulatory action for purposes of Executive Order 12866 of September 30, 1993, and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, it is hereby certified that this rule will not have a significant impact on a substantial number of small entities. This rule does not have federalism implications. It is not a major rule as defined in 5 U.S.C. chapter 8.
