DEPARTMENT OF EDUCATION

34 CFR Chapter VI

Student Financial Assistance

AGENCY: Department of Education.

ACTION: Notice of intention to establish negotiated rulemaking committees on issues under Title IV of the Higher Education Act of 1965, as amended.

SUMMARY: We announce our intention to establish two negotiated rulemaking committees to prepare proposed regulations under Title IV of the Higher Education Act of 1965, as amended. Each committee will include representatives of the interests that are significantly affected by the subject matter of the regulations. We request nominations for participants from anyone who believes that his or her organization or group should participate in this negotiated rulemaking process.

DATES: We will consider all nominations for membership on the committees that we receive by January 18, 2000. We will also be holding a meeting on January 18, 2000, at the Department of Education for interested parties to discuss the procedures for the negotiated rulemaking sessions.

ADDRESSES: Please send your nomination to Beth Grebeldinger, U.S. Department of Education, 400 Maryland Ave., SW., ROB-3, Washington, DC 20202-5257, or fax to Beth Grebeldinger at (202) 708-7196. You may also email your nominations to: beth_grebeldinger@ed.gov

The meeting will be held at the Department of Education at the address above. Anyone interested in attending the meeting should contact Beth Grebeldinger at (202) 205-8822.

FOR FURTHER INFORMATION CONTACT: Beth Grebeldinger, U.S. Department of Education, 400 Maryland Ave., SW., ROB-3, Washington, DC 20202-5257. Telephone: (202) 205-8822. If you use a

telecommunications device for the deaf (TDD) you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m.

Individuals with disabilities may obtain this document in an alternate format (e.g., Braille, large print, audiotape, or computer diskette) on request to the contact person listed in the preceding paragraph.

SUPPLEMENTARY INFORMATION: The meeting site is accessible to individuals with disabilities. If you will need an auxiliary aid or service to participate in the meeting (e.g. interpreting service, assistive listening device, or materials in alternate format), notify the contact person listed in this NPRM in advance of the scheduled meeting date. Although we will attempt to meet a request we receive, we may not be able to make available the requested auxiliary aid or service because of insufficient time to arrange it.

Structure of Committees

We anticipate having two negotiating committees. The ultimate goal of negotiated rulemaking is to reach a consensus on proposed regulations through discussion and negotiation among interested and affected parties, including the Department of Education. With this in mind, we will conduct these negotiations within a structure that is designed to meet this goal fairly and efficiently. We expect to make the committees large enough to allow significantly affected parties to be represented, without making the committees so large as to be unmanageable and potentially unsuccessful. We therefore encourage organizations and groups to work together to nominate someone who would represent a coalition of organizations or groups. The meetings will be open to the public.

We list below the issues each committee is likely to address. The list was developed through topic sessions held with representatives of the participants in the student financial aid programs in Washington, DC, through listening sessions held in Atlanta, Chicago, and San Francisco, and through listening sessions conducted by the Office of Student Financial Assistance's (OSFA's) Customer Service Task Force. This list of issues is tentative and may be revised as the process continues.

Note: A comprehensive review of delinquency and default management (including due diligence) has not been included on the list of issues for this round of negotiated rulemaking. Because of the complexity of these issues, we will convene

discussions in early 2000 with all interested parties to begin consideration of these issues and to discuss what issues, if any, should be included in a future session of negotiated rulemaking.

Committee I: Loan Issues Committee

Federal Perkins Loans—address proof of claim requirements in bankruptcy (34 CFR 674) and criteria regarding institutions' ability to maintain an acceptable record of collecting on loans.

Cash Management—address just-in-time provisions (34 CFR 668.162 and 668.167).

- Consider revisions to regulatory provisions governing consortium and contractual agreements (34 CFR 600.9).

Special Leveraging Education Assistance Partnerships (SLEAP)

Electronic Authorization and Verification, and Electronic Retention

- Address these issues for certain Title IV programs and purposes.
- Each negotiating committee will include representatives of significantly affected interests, such as students, and/or legal assistance organizations that represent students, institutions of higher education, guaranty agencies, lenders, secondary markets, loan servicers, guaranty agency servicers, and collection agencies.
