Office of Postsecondary Education

Type of Review: NEW.

Title of Collection: Application for Grants under the Educational Opportunity Centers Program.

OMB Control Number: 1840-NEW.

Agency Form Number(s): N/A.

Frequency of Responses: Once every four years.

Affected Public: Private Sector; State, Local, or Tribal Government, State Educational Agencies or Local Educational Agencies.

Total Estimated Number of Annual Responses: 410.

Total Estimated Annual Burden Hours: 10,020.

Abstract: The Department of Education is requesting a new application for grants under the Educational Opportunity Centers (EOC) Program. The Department is requesting a new application because of the implementation of the Higher Education Opportunity Act (HEOA) revisions to the Higher Education Act, the authorizing statute for the program. Beginning next year and pending a final rule, all new and continuing grantees will submit performance data consistent with the changes made by the HEOA. This application will be used to award new grants and collect data under the EOC program. The EOC Program provides grants to institutions of higher education, public and private agencies and organizations, community-based organization with experience in serving disadvantaged youth, combinations of such institutions, agencies and organizations, and secondary schools. The EOC Program provides grants to projects designed to provide information regarding financial and

academic assistance available to individuals who desire to pursue a program of postsecondary education; provide assistance to individuals in applying for admission to institutions that offer programs of postsecondary education, including assistance in preparing necessary applications for use by admissions and financial aid officers, and provide information regarding financial and economic literacy to participants.

This information collection is being submitted under the Streamlined Clearance Process for Discretionary Grant Information Collections (1894-0001). Therefore, the 30-day public comment period notice will be the only public comment notice published for this information collection.

Type of Review: Revision.

Title of Collection: 2011-12 National Postsecondary Student Aid Study (NPSAS:12) Field Test Student Data Collection.

OMB Control Number: 1850-0666.

Agency Form Number(s): N/A.

Frequency of Responses: Annually.

Affected Public: Individuals or households; Businesses or other for-profit; Not-for-profit institutions.

Total Estimated Number of Annual Responses: 4,093.

Total Estimated Annual Burden Hours: 4,256.

Abstract: National Postsecondary Student Aid Study (NPSAS), a nationally representative study of how students and their families finance

education beyond high school, was first implemented by the National Center for Education Statistics (NCES) in 1987 and has been fielded every 3 to 4 years since. This submission is for collection of student data in the eighth cycle in the series, NPSAS:12, and supplements the recently obtained approval for NPSAS:12 collection of institutional data (OMB# 1850-0666 v.7). NPSAS:12 will also serve as the base year study for the Beginning Postsecondary Students Longitudinal Study (BPS) of first-time postsecondary students that will focus on issues of persistence, degree attainment, and employment outcome. Following the field test study in 2011, NCES will submit an OMB clearance package for the full scale. The NPSAS:12 field test sample will include about 300 institutions (full-scale sample about 1,670) and about 4,500 students (120,000 full-scale). Institution contacting for the field test begun in September 2010 (for full scale in September 2011), list collection will be conducted January through May 2011 (full-scale January through June 2012), and student data collection will take place March through June 2011 (full scale January through September 2012). Changes since the last NPSAS collection in 2008 include a new cohort of the BPS which will conduct follow-up studies in 2014 and 2017, and revised strata for institution sampling to reflect the recent growth in enrollment in for-profit 4-year institutions. This submission requests approval for conducting student interviews, collecting student records, and file matching for NPSAS:12 as part of the 2011 field test and a 60-day **Federal Register** public notice waiver for the 2012 full-scale study.
