Services (AIVRS) program. RSA and ED will use the information gathered annually to: (a) Comply with reporting requirements under the Education Department General Administration Regulations and provide annual information to Congress on activities conducted under the program, (b) measure performance on the program's Government Performance Result Act indicators, and (c) to collect information that is consistent with the common measures for federal job training programs.

The proposed changes to the existing form will improve user friendliness and the clarity and accuracy of data reported. These revisions are not of a substantial manner nor significantly different from the original collection, but are proposed to provide clarity and consistency. In many areas, the data element language has been modified with direct language instead of passive terminology and, in order to preserve consistency, all numerals are replaced with the corresponding word.
