ANG Base, MI.
NPA: New Horizons Rehabilitation Services, Inc., Auburn Hills, MI.

The **Federal Register** identifies the services as ''Food Service Attendant'' which is the programmatic method to identify the services provided by nonprofit agencies employing people who are blind or who have other severe disabilities within the AbilityOne Program. While the Randolph-Sheppard Act provides entrepreneurial opportunities for blind vendors, under normal circumstances it does not afford them priority for food service attendant opportunities supporting the operation of a military dining facility short of management responsibilities. The Committee determines that the information provided in the **Federal Register** Notice is sufficiently clear to identify the services sought. Based on the information available, the Committee may determine that this service is appropriate for the AbilityOne Program.

The **Federal Register** identifies the services as ''Dining Service Attendant'' and ''Mess Service Attendant'', which are historical and programmatic methods to identify the services provided by nonprofit agencies employing people who are blind or with other severe disabilities within the AbilityOne Program. While the Randolph-Sheppard Act provides entrepreneurial opportunities for blind vendors, it does not include food service attendant opportunities reserved for the AbilityOne Program. Thus, the information provided in the **Federal Register** notice is sufficiently clear to identify the services sought and precludes those services from being procured under the Randolph-Sheppard Act.
