Fiscal Year (FY) 2014 3-Year Cohort Default Rate Calculations

NSLDS will calculate the cohort default rates according to the following schedule:

Cohort Default Rate:

DRAFT FY2014 3-Year	Calculation:	January 28, 2017
	Release:	February 27, 2017
OFFICIAL FY2014 3-Year	Calculation:	August 5, 2017
	Release:	September 25, 2017

Please provide NSLDS with all changes that may affect the FY rates prior to the calculation dates noted above. Providing timely updates to NSLDS ensures the accuracy of the cohort default rate calculation and reduces challenges and appeals from schools during the draft and official cycles. A borrower’s record(s) may be updated online via the [NSLDS Professional Access](#) website or as part of your Guaranty Agency’s (GA's) submittal. All updates must be received and accepted by NSLDS prior to the above-noted calculation dates in order for the data to be reflected in the calculations.
