Goals of this Forum

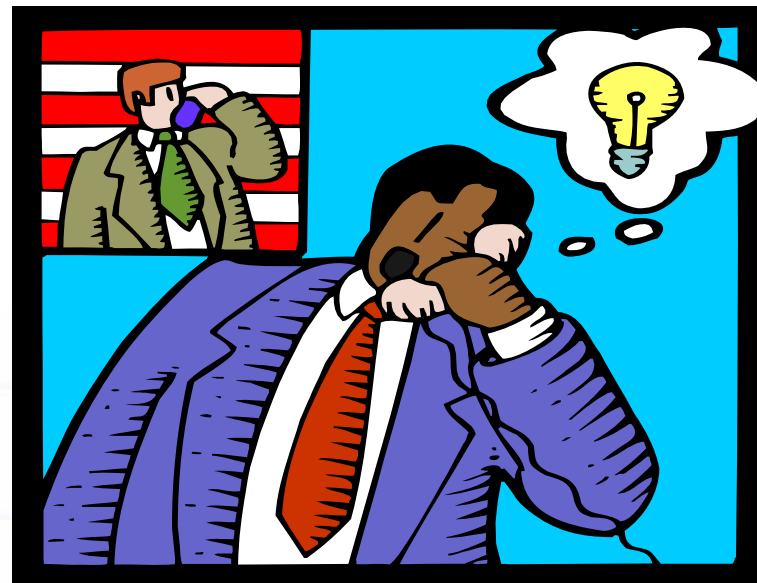

- Explore any issues you may have with the current version of EDEExpress
- Discuss what enhancements you would like to see in EDEExpress

Question 1: What issues are you having with EDEExpress?

- Release 1: Global, Apps and Packaging
- Release 2: Direct Loan and PELL
- Other EDEsuite products (R2T4, SSCR or DL Tools)

Question #2: Is there functionality you would like to see added to EDEXpress?

- Pell reconciliation tool, similar to DL Tools?
- Others?

Question #3: What functionality would you like to see on the Web that is not already there?

If Federal Student Aid put EDEXpress equivalent functionality on the Web,

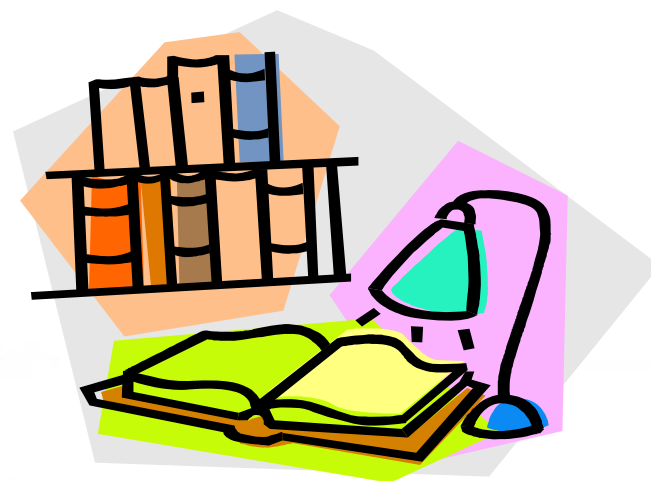

- would you use it?
- Would you use it in tandem with EDEXpress PC product?
