Using Reports for Default/Delinquency Prevention

Exit Counseling on NSLDS

NSLDS Exit Counseling covers FFEL and Direct Loan Programs

- Student Access at www.nslds.ed.gov
- Uses student actual loan data
- Educates borrowers about their loan obligation, grace period, repayment and deferment options

Use of NSLDS Exit Counseling

- When your students use NSLDS Exit Counseling, they get borrow specific data, and you get information on their completion
- *Exit Counseling* Completion Reports can be requested on-demand or set up as a scheduled report

Use the Web to Check for a Student Completion History

Keeping up with Activities on your School's Loan Portfolio

The School Portfolio Report (SCHPR1) provides details on borrowers and loans in your current loan portfolio

- Based on loan repayment begin date
- If your school has merged, previous school codes are included
- Available in Extract only

School Portfolio Report

- School Portfolio report gives you all the important loan information on your entire portfolio
- Using it can eliminate need for other reports
- You can request up to three years of loans that began or are scheduled to begin repayment

School Portfolio Report

- November 2011 Release:
 - Addition of repayment plan information
 - Current repayment plan code
 - Repayment plan date
 - Repayment term
 - Scheduled payment amount
 - Record Layout expanded from 400 bytes to 550 bytes

School Portfolio Report

- You can track student's loan activity
 - Consolidation Loan Activity
 - Current Status
 - Current Principal and Interest Balances
 - Current Servicer/Lender/GA
 - Current Repayment Plan
 - Delinquency Date
 - Default Dates
 - Current Repayment Plan

School Portfolio Report

Why data may change from report to report:

- Date entered repayment
 - Student may go in and out of repayment due to enrollment data provided
 - One of the selection criteria for inclusion on the report
- Current balances
 - Dependent on data provider reporting
 - Fees are not included
 - Capitalized interest

School Portfolio Report

Why data may change from report to report:

– Delinquency date

- Data provider sends first day after a missed payment

- Changes can occur due to rolling delinquency

 - Bounced check causes delinquency

 - Student makes good on payment

School Portfolio Report

Why data may change from report to report:

- Claim information on GA-held loans
 - Difference between default status, claim information, and CDR date of default
- Repurchase and rehabilitation
- Original and current holder
 - What do the servicer/lender/servicer codes tell you?

School Portfolio Report

Using Delinquent Borrower Data

- Contains all federal loan servicers (ED servicers) data as reported
 - Excludes loans held by Guaranty Agencies (GAs)
- Contains borrower's contact information (address, phone number, and e-mail) as it has been reported to NSLDS

Delinquent Borrower Report

- Driven off number of days a borrower's loan(s) is delinquent
- Data can change based on when the report is run
- Days delinquent could be calculated from School Portfolio Report

Date Entered Repayment Report

- Originally created to alert schools of borrowers ready for exit counseling
- Based on “scheduled to go into repayment,” not actual date entered repayment
- Includes only borrowers in current attendance with loans in specific statuses

The following information reflects the current repayment status of certain borrowers in FFEL and Direct loan programs who attended a school during a specific period. This information has no relationship to the calculation of draft or official cohort default rates for a school and will not be used in that process. This data is provided solely for informational purposes and may not be used in any administrative procedure. The information reported is based on information provided by the Guaranty Agency that guaranteed the loan or by the Direct Loan Servicer.
