## Partnering a Process for the Student

Presented By

Peggy Berger and Denise Leifeste

U.S. Department of Education

# Consolidation is about debt management

*It is about the best solution for individual borrowers to manage debt*

*It is about lenders and the U.S. Department of Education working together to assist our student customers*

# The Consolidation Process

## Our part of the partnership

- ö Receiving and expeditiously handling an application from a borrower
- ö Contacting loan holders for payoff amounts
- ö Paying off loan holders accurately
- ö Consolidating the underlying loans into a consolidation loan with one monthly payment.

# The Consolidation Process

(continued)

## Your part of the partnership

- ö Completing a verification certification form
- ö Applying timely payoffs to borrower loans
- ö Adjusting promptly for over and underpayments

# Using a Tolerance Policy

## You May:

- Write off underpayments of  $< \$25.00$
- Retain overpayments  $< \$10.00$
- Calculate tolerance on total balance  
(GAs can calculate collection costs  
separately from principal/interest)
- Net Calculations by Program  
Stafford Subsidized  
Stafford Unsubsidized  
Plus Loans

# A thanks to our partners

For helping us help borrowers manage their loan debt

# Partnering in Payoffs

**Your part of the partnership is to:**

Bill the LOC promptly for underpayments.

Not bill borrower for underpayments

See 34 CFR 685.215(f) (2) and (5).

Refund overpayments to LOC promptly.

Forward all borrower payments to LOC.

# Partnering for the Future

## **A Performance Based Organization that:**

- ö Is customer driven
- ö Works closely with our partners; and
- ö Provides better, more responsive service to our customers

# Partnering for the Future

## Partnering Vision

- ö ACH for payments of private lenders and Guaranty Agency collection costs
- ö Electronic postings of SF1081s for payments to Guaranty Agencies
- ö Loan holders may return overpayment refunds and underpayment requests either electronically or through the current process
  - Pilot next quarter
  - Full implementation by year end

# Partnering for the future

**The Department is developing functionality for  
electronic payments to loan holders**

*Benefits:*

Processing efficiencies

Loan holders will receive single net payments  
for multiple borrowers

Facilitates electronic posting of payments

# Electronic Payments

*continued*

- Eliminates delayed delivery
- Eliminates checks lost in the mail
- Reduces overpayments
  - eliminates the calculation of mail time in calculating payoffs, reducing potential overpayments
  - reduces borrower payments from the time of certification and receipt of funds

# Electronic Payments

*continued*

Complies with Debt Collection Improvement Act of 1996 which requires electronic payment of all Federal obligations
