Dear CHRISTOPHER E. STUDENT,

Thank you for submitting your information for federal student aid to the U.S. Department of Education.

This is your Student Aid Report (SAR) Information Acknowledgement for the **2002-2003** award year. Keep a copy of this SAR Information Acknowledgement for your records.

We have processed the electronic Application for Federal Student Aid, Renewal Application for Federal Student Aid, or correction that you submitted through your school. On the back of this page we have printed the information we received and a summary of the results of processing that information. You should review this information and contact your Financial Aid Administrator (FAA) if any corrections need to be made. Based on the information you provided, we may have assumed certain information to calculate your eligibility for Federal student aid. We printed the assumptions we made and the word "assumed" for those items on the back of this page. If these assumptions are not correct, contact your FAA to make the necessary corrections.

We have applied a formula to the information from the form you submitted. The results of this formula will be used by your school to determine your eligibility for most types of Federal student aid. See your FAA to determine what types of student aid you may be able to receive. Based on the information you gave us, you are not eligible for a Federal Pell Grant.

Your application has been selected for a review in a process called verification. You must submit to your school signed copies of certain 2001 financial documents. Contact your FAA to determine if you meet all of the eligibility requirements to receive Federal financial aid.

This section contains information from your student aid application (shaded items display parents' information, if provided). If you need to make corrections, see the financial aid administrator at your school.
