Read this letter carefully and review each item on Part 2 of this Student Aid Report (SAR). Follow the instructions at the top of Part 2 and in the Free Application for Federal Student Aid (FAFSA) instruction booklet to help you make corrections. If all the information on your SAR is correct, you do not need to return it to the Federal Student Aid Programs. For additional help with your SAR, contact your Financial Aid Administrator (FAA) or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-433-3243).

If all the information on this SAR is correct, you may be eligible to receive a Federal Pell Grant and other Federal student aid in 1998-99. Your FAA will determine whether you meet all eligibility requirements to receive aid. The amount of aid will depend on the cost of attendance at your school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional budget restrictions, and other factors.

HERE IS WHAT YOU NEED TO DO NOW: Review the information on Part 2. If any of the information is incorrect, follow the instructions at the top of Part 2 to make corrections. IF ALL THE INFORMATION IS CORRECT, you should submit a photocopy of this SAR to all the schools that you may be interested in attending. Submit the original to the school where you actually enroll.

Based on the information you provided on your application, we had to assume certain information to calculate your eligibility for Federal student aid. We printed the assumption we made and the word "assumed" in the "You told us" column for each of these items. If these assumptions are correct, do not change them.

Be sure to review the items in boldface type on Part 2 of your SAR and make any corrections if necessary.

ATTENTION: We were unable to find any schools you listed on our school file, or you did not list any schools on your application, or did not verify any schools on your renewal application. To receive Federal student aid, you must attend a school that participates in the Federal student aid programs. Check with each school you are considering in 1998-99 to find out if it participates in these programs. Contact your FAA for assistance to make the necessary corrections to your SAR.

FAA INFORMATION This information will be used by your Financial Aid Administrator to determine your eligibility for student aid.
