We have processed the electronic Application for Federal Student Aid, Renewal Application for Federal Student Aid, or correction that you submitted through your school. ~~On the back of this report, however, at this time we have printed the information we received and a summary of the results of processing that information. You should review this information and~~ contact your Financial Aid Administrator (FAA) if any corrections need to be made. ~~For the information you provided, we may have assumed certain information in eligibility for Federal student aid. We printed the assumption we made "assumed" for those items on the back of this page. If these assumptions are not correct, contact your FAA to make the necessary corrections.~~

~~We have applied a formula to the information from the report you submitted. The result of this formula will be used by your school to determine your eligibility for most types of Federal student aid. See your FAA to determine what types of student aid you may be able to receive. Based on the information you gave us, you are not eligible for a Federal Pell Grant.~~

Your application has been selected for review in a process called verification. You must submit to your school signed copies of certain 1999 financial documents. Contact your FAA to find out which documents are required.

You must contact your FAA to determine if you meet all of the eligibility requirements to receive Federal financial aid.

This section contains information from your student aid application (shaded items display parents' information, if provided). If you need to make corrections, see the financial aid administrator at your school.

Read this letter carefully and review each item on Part 2 of this Student Aid Report (SAR). Follow the instructions at the top of Part 2 and in the Free Application for Federal Student Aid (FAFSA) instruction booklet to help you make corrections. If all of the information on your SAR is correct, you do not need to return it to the Federal Student Aid Programs. For additional help with your SAR, contact the Financial Aid Administrator (FAA) at your school or the Federal Student Aid Information Center at 1-800-4FED-AID (1-800-443-3243).

If all the information on this SAR is correct, you may be eligible to receive a Federal Pell Grant and other Federal student aid in 2000-2001. Your FAA will determine whether you meet all eligibility requirements to receive aid. The amount of aid will depend on the cost of attendance at your school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional budget restrictions, and other factors.

HERE IS WHAT YOU NEED TO DO NOW: Review the information on Part 2. If any of the information is incorrect, follow the instructions at the top of Part 2 to make corrections. **IF ALL THE INFORMATION IS CORRECT**, you do not have to submit the SAR to the schools you listed. All of your schools will receive the information electronically.

Based on the information provided on your application, we had to assume certain information to calculate your eligibility for Federal Student Aid. We printed the assumption we made and the word "Assumed" in the "You Told Us" column for each of these items. If these assumptions are correct, do not change them.

Be sure to review the items in boldface type on Part 2 of your SAR and make any corrections if necessary.

It appears you reported the same income value more than once. Review the income items in boldface type on Part 2 of your SAR. If these items are correct, do not change them.
